Legendary

1d10	Result	Description
1	Shield Potion	+5d10 to equipped Shield

2	Health Potion	+5d10 to HP
3	Deadeye Potion	+5 to your next Accuracy Roll
4	Overshield Potion	+25 Overshield
5	Multi-Flavour Potion	+2d10 Shields and +2d10 HP
6	Checkered Potion	+5 Bonus to the next Check you make until the end of the current encounter
7	Drink Of Destiny	The next time you would roll damage for a spell, gun attack, melee weapon attack, or a Talent's effect, you deal maximum possible damage on all dice, instead of rolling
8	Reaper's Sauce	For the next three combat encounters, you cannot die. You may be Downed, but you will not fully die until the end of the third combat encounter, should you have normally died already. Really freaks out the locals.
9	Bedlam's Bridal Booze	You drink this, you go insane. There's no Check, no way to avoid it. Throw this at enemies and watch them go berserk. It'll be REALLY funny. A target hit by this potion sees everyone, and everything, as a hostile. They'll fight to their last breath to kill everything around them. This effect ends after the target has killed everything in sight or is deceased.
10	Moonmilk	Your bones turn to jelly. You slurp around like an ooze. It's absolutely horrifying to look at, but you don't die. You can squeeze through gaps as narrow as 1 inch, as long as you are not wearing equipment. This effect lasts until the end of the current encounter.
